ALL BIDDERS PLEASE READ

Terms Governing This Sale

Bidders unknown to us will please furnish bank or other references or deposit 25 per cent with their bids, and it is agreed that remittance will be made upon receipt of invoice if references are not furnished.

Any coin which is not satisfactory may be returned within five days from date of receipt for full refund. **You must be satisfied. PAYMENT TO BE MADE UPON RECEIPT OF MERCHANDISE.** Coins remain our property until paid for. There will be no charge for executing your bids but the purchasers will be required to pay the postage and insurance on their purchases. If you do not wish coins sent airmail please note this on your bid sheet.

We shall welcome your bids and will try to purchase the coins as much below your bids as possible. **PLEASE BID BY THE LOT.** Unlimited bids are executed at an advance of 5 per cent over the next highest bid. Numbers in () are the quantity of that item.

If you are interested in any particular coin, we shall be glad to have you write us for full information. **LOTS CANNOT BE BROKEN.** Be sure you bid on the correct lot as we cannot be responsible for errors in bidding.

NOTICE TO NEW BIDDERS

Our Mail Sales Are Conducted As Follows:

1. Bids are entered in the order received; if identical bids are received, the first bidder is awarded the lot. **SEND BIDS AIRMAIL—IT PAYS.**

2. The highest bidder on the date of the sale is awarded the coin at a slight advance over the second highest bidder. **Bids you send in are the maximum you are willing to pay for the coin. WE, AS YOUR AGENT, TRY TO BUY THE COIN AS LOW AS THE NEXT HIGHEST BID WILL ALLOW.**

3. Valuations placed in the auction catalog are catalog prices, prices generally asked by dealers when the coin is in stock, or prices generally realized at auctions.

ANY COIN WHICH IS NOT AS REPRESENTED MAY BE RETURNED WITHIN FIVE DAYS FROM DATE OF RECEIPT FOR FULL REFUND. **YOU TO BE THE SOLE JUDGE AS TO CONDITION. YOU MUST BE SATISFIED.** No, you won't receive a nasty letter for returning a coin—instead you will receive a letter thanking you for calling attention to the error made in cataloging. While we try to describe coins as accurately as possible, it is inevitable that an occasional error is made in the cataloging of thousands of coins for each sale. Whenever this happens, we want it called to our attention to help prevent future errors.

Any coins may be inspected prior to the sale, collector to pay postage and insurance both ways.

If you are not interested in these sales, won't you advise us so we may discontinue sending you catalogs.

PRICE LIST OF SALE \$1.00

IS THIS YOUR FIRST AUCTION CATALOG?

19th EDITION (1966) GUIDE BOOK, (1965) PAPER MONEY 5th EDITION "TRENDS" & OTHER AUCTION RECORDS USED IN CATALOGING THIS SALE

Currency, scarce and rare gold, large cents, types, proofs and small cents seem to be rising the most rapidly at present with most bringing close to listed values and a great number bringing even more. Many are rising from month to month with a number "just not obtainable." The coins most in demand will have the greatest number of bidders and with the law of supply and demand working, these coins keep setting new records.

Occasionally a collector writes us asking why our estimated values in some instances are higher than the catalog listing. This occurs when the demand is so great and the supply so small that new records are set whenever these coins come upon the market. If one will take a few moments to reflect, he will understand that it takes several months to compile the necessary information before the catalog can be published, therefore, it is inevitable that the catalog listing will be under the prevailing market price on the items in popular demand at the time of the publication. **The estimated prices are entered only after careful examination of various records and publications which reflect the actual and not theoretical value. (PLEASE NOTE THAT MANY OF THE ESTIMATES ARE CATALOG VALUE ONLY. MANY OF THE GOLD COINS, SILVER \$1, WASHINGTON QUARTERS, CURRENCY, ETC. ARE ESTIMATED AT CATALOG).** In the final analysis, you the collector, are the one who sets the price.

BIDS ARE RECORDED AS FOLLOWS: Each bid sheet is given a number as it comes in, and the bids are recorded. In the event of identical bids, the first bidder receives the lot. At the last day of the sale, the books are closed with the highest bidder on each lot being awarded the lot at an advance of not over 5% above the next highest bidder. For illustration—the two highest bids received on a lot may be \$17 and \$20. The highest bidder who bid \$20 would receive the lot at \$17.25. We act as your agent and use your bids as a limit—not as a final bid unless we are forced to do so to obtain the lot. We accept unlimited bids which generally assures the bidder of obtaining that lot regardless of what the highest bid may be. Where the lot is bringing far more than we believe it is worth or in the event of two unlimited bidders on the same lot, we notify the unlimited bidders by phone or wire, if necessary, in order to obtain a fixed limit to the bid. Even tho auction purchases are supposed to be final, we do not want you to keep any lots which you believe are improperly described. We endeavor to treat our customers as we would wish to be treated. We try to keep it on a friendly basis and value the many friends we have made thru the years. If you have any complaints, we want to hear them as well as any compliments.

YOUR SUCCESSFUL BIDS WILL INSURE YOUR RECEIVING

SUCCESSIVE CATALOGS WITHOUT INTERRUPTION

BARGAINS GALORE

In every sale, some lots go at "bargain prices." May we suggest that in addition to bidding on those lots you "really want," you place nominal bids on those lots that "you might buy if they went at bargain prices." While you may not obtain many of these "bargain lots," yet in every sale you may pick up some real bargains.

Sincerely,

A. M. KAGIN and PAUL KAGIN

YOU MUST BE SATISFIED

Our Sales Are Cataloged With You in Mind. If you have any suggestions, complaints, (yes we receive some now and then), we want to hear them. Having catalogued over two hundred fifty-five successful coin sales, we believe we are qualified to advise and help you with your numismatic problems. No, we don't "know-it-all" but we do know where to obtain the information we don't have.

We have a number of want lists on hand for the scarce and rare United States coins and currency. Our average commission for obtaining these specimens is only 10 per cent, therefore we believe we can pay the top price for your choice and scarce pieces, no matter how rare. Don't you think it is worth a 8c airmail stamp to find out what we would pay for your outstanding pieces? Naturally we buy collections, too.

SOMETHING NEW HAS BEEN ADDED

We wish to call your attention to the new service extended as per the bottom of the bid sheet. After receiving requests to apply the amount saved in the awarding of successful bids below the bids authorized we decided to avail this service to all of our clients. It is often exasperating to lose a lot by a few nickels when the amount saved on the successful bids would have been sufficient to increase the original bid to the point necessary to receive the lot. Check the bottom of your bid sheet.

1942 PLASTIC WAR CENT

116—Acquired in 1963 as "1942 LIBERTY JUSTICE around Helmetted Head "Liberty", reverse "UNITED STATES MINT" inside wreath, STRUCK IN PLASTIC. In 1942, the government experimented with plastic as a substitute for the copper used in cents. The idea was abandoned in favor of zinc-coated steel of 1943 and the shell-case copper of 1944-45. **VERY RARE.** Have seen a specimen about a year ago at 1,000.00." We cannot find a record of another specimen appearing on the market in the last two years, therefore what its present value would be, must be determined by you, the bidder.

SILVER THREE-CENT PIECES

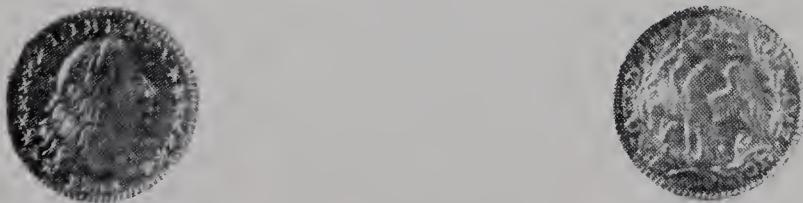

The smallest issued U. S. coin. It's short life encompassed three types, type I (1851-53) no outline to star, type II (1854-58) 3 outlines to star, type III (1859-1873) 2 outlines to star. We note a marked increase in demand and values the past year continuing to the present.

HALF DISME & HALF DIMES

395—1792 HALF DISME (by 1794 the "S" had been dropped with the word becoming "DIME") LIB. PAR. OF SCIENCE & INDUSTRY around female bust said to be that of Martha Washington, rev. UNI. STATES OF AMERICA HALF DISME around eagle in flight facing left, diagonal reeding, extremely fine with luster (acquired as "about uncirculated"). Definite proof has now been established that the silver came from the silverplate furnished by George Washington. Struck in October, 1792 at the infant mint. President Washington, in his address of November 6, 1792 mentions, "There has been a small beginning in the coinage of half dimes; the want of small coins in circulation calling the first attention to them." This is the only 1792 coin of the U. S. which the average collector can hope to own. The others are extremely rare and "just not available." Acquired 1½ years ago at \$2500; surely the persistent rise in value should now place its value closer to	\$3,500.00
--	------------

396—1794 ENTIRELY DIFFERENT TYPE, extremely fine and sharp as to wear but but repair at top resulting in BERTY and several stars not showing. X.f. worth \$1000, this specimen worth proportionately.	
397—1795 Similar type, very fine as to wear but several minor abrasions. IN STRONG DEMAND FOR TYPE. Catalogs	425.00

1865 TYPE 1866 TRANSITIONAL PATTERN SET

Quite popular. Note the inclusion of the 1866 Type 1865 (no motto) in the regular Guidebook. The 1866 25c sold at \$24,500.00 in 1961 and the 50c at \$15,500.00. The \$1 (2 known) now catalogs \$18,000.00. Surely the present valuations in the Judd book (current third edition) are rather conservative when the fact that only 6 to 8 each of the 1865 transitionals are said to exist.

1172—\$1 1865 TYPE 1866 WITH MOTTO "IN GOD WE TRUST," CHOICE PROOF. Judd-434. Catalogs too low at \$2,500.00. Perhaps the owner's valuation is more appropriate.	\$3500.00
---	------------------

1173—50c 1865 TYPE 1866 WITH MOTTO "IN GOD WE TRUST," CHOICE PROOF. Judd-429. Catalogs too low at \$2,000.00. Perhaps the owner's valuation is more appropriate.	\$2500.00

1174—25c 1865 TYPE 1866 WITH MOTTO "IN GOD WE TRUST," CHOICE PROOF. Judd-425. Catalogs too low at \$2,000.00. Perhaps the owner's valuation is more appropriate.	\$2500.00

25c 1805, EAGLE ON ROCK REVERSE

- 1178—1805 Mule. A combination of a badly rusted 1805 quarter obverse (Browning 2) and a eagle on half a shield, plain edge, struck in copper. Restrike in extremely fine. Sold by Henry Chapman (who thought it unique) Feb. 12, 1909. Since Dr. Judd does not list it, we are inclined to agree with Chapman as to its probably being unique! Valued by owner at 1000.00

EARLY HALF DOLLARS 1794-1807

We note a steady rise in value from year to year. Judging from the strong current demand, present values should appear quite conservative within the next few months.

- 1179—1794 FLOWING HAIR, 15 STARS, very fine and sharp. Seldom available so choice. 1250.00
- 1180—1795 Beistle 19G, Tall Bust with Short Hair, 2 or 3 pinpoint nicks, fine. VERY RARE. 400.00

1879 GOLD SET \$1, \$2½, \$3, \$4 (STELLA), \$5, \$10, \$20 (QUINTUPLE STELLA)

A most unusual set to say the least! We cannot recall cataloging another such set in all our thirty-odd years as professionals. To assemble another such set today would indeed be most difficult. A set with a "prize-winning story" including the proposed INTERNATIONAL METRIC \$4 STELLA AND \$20 QUINTUPLE-STELLA.

2027—\$1 1879 Prooflike with orange tint. RARE. Trends \$200 unc. and cat. \$475 proof; this one probably worth around	300.00
2028—\$2½ 1879 Nearly Uncirculated. Catalogs	45.00
2029—\$3 1879 BRILLIANT PROOF. ONLY 30 ISSUED. CATALOGS TOO LOW AT \$1350; SHOULD BE OVER	1500.00

2030—\$4 1879 FLOWING HAIR STELLA, BRILLIANT PROOF. A CHOICE SPECIMEN OF THIS POPULAR "TYPE" COIN. WORTH A PREMIUM OVER ITS CATALOG OF	\$6,000.00
--	------------

2031—\$4 1879 COILED HAIR STELLA, BRILLIANT PROOF. ONLY 10 ISSUED COMPARED TO 415 OF THE FLOWING HAIR VARIETY. ACQUIRED ABOUT THREE YEARS AGO AT \$20,000.00. SURELY IT SHOULD NOW REALIZE AT LEAST \$22,500.00. It is interesting to compare the 1875 \$3 gold of which 20 were issued and which three years ago at the Wolfson sale realized \$17,000.00. Another 1875 \$3 gold was offered this year in May (Grant Pierce coin) at New York where it realized \$21,000.00. THE 1879 COILED HAIR STELLA HAS NOT BEEN OFFERED IN ANY OF THE NAME SALES DURING RECENT YEARS, THEREFORE ONLY A THEORETICAL PRICE HAS BEEN INDICATED IN THE CATALOG, AND THIS PRICE HAS NOT CHANGED IN YEARS AS UNLIKE THE 1875 \$3 WHICH OCCASIONALLY APPEARS, THE EXTREME RARITY OF THIS \$4 KEEPS IT FROM ESTABLISHING ANY RECORD. A RISE IN VALUE DURING THE PAST THREE YEARS COMPARABLE TO THE 1875 \$3 (\$4,000) WOULD PLACE THIS \$4 AT A SUM OF AT LEAST	\$24,000.00

2032—\$5 1879 Uncirculated. Catalogs	40.00
2033—\$10 1879-S Brilliant uncirculated, tiny nick. Scarce.	75.00

2034—\$20 1879 BRILLIANT PROOF. Lot 923 of the Wolfson sale of Oct. 13, 1962. ONLY 30 ISSUED. "Not a blemish or a flaw to impair the beauty of this coin. Should realize over \$2,000.00." This coin there realized \$3,300.00 attesting to its great rarity. We note the more readily available proofs such as 1902 of which 114 were issued, now catalog \$2400; surely this MUCH GREATER RARITY should now realize at least	\$5000.00
--	-----------

2035—\$20 1879 QUINTUPLE STELLA or METRIC DOUBLE EAGLE, CHOICE PROOF struck in copper. ONLY 2 OR 3 ISSUED, Judd-1644. Actually rarer than the gold which catalogs \$15,000.00. This copper one catalogs too low at \$4,000; its rarity and popularity would seem to justify a valuation of at least	\$5000.00

2039—\$10 1852 UNITED STATES ASSAY OFFICE, very good. Cat. fine.	300.00

\$10 GOLD OF CALIFORNIA (PRIVATE MINT) (Continued)

- 2042—\$10 1852 WASS, MOLITOR & CO., Large Head variety, extremely fine obverse, very fine reverse (reverse always comes weaker due to being struck from dished dies). Similar condition as the Walton specimen which realized \$740 in a New York sale two years ago; surely this coin now worth over 900.00

\$10 1860-61 CLARK GRUBER DENVER GOLD

- 2043—\$10 "1860 CLARK GRUBER & CO." around eagle, "PIKES PEAK GOLD TEN D." around mountain with "DENVER" below, extremely fine with luster. Popular with new records being set. Catalogs \$1500 but we note a specimen advertised in Feb. "COINS ANNUAL" in "Ext. Fine" at \$1675; surely this choice coin now worth over 1750.00
- 2044—\$10 1861 Clark Gruber & Co., liberty head, nearly Uncirculated RARE SO CHOICE. The very fine one in the Feb. "Coins Annual" ad was \$575; surely this much superior specimen now worth closer to \$1,000.00. In fact, the catalog does not list this in uncirculated due to its rarity in this choice condition.
- 2045—\$10 1861 Similar but struck in copper with plain edge, Uncirculated. We note a specimen offered early this year at \$375; surely this one now worth over 400.00
